This book gives you the wisdom, stories, and exercises that guide you into self exploration and positive powerful ways to change your life right away. Most people have had life s circumstances such as a broken heart, a lost job, an argument, a failed exam, or even abuse that created walls around their true selves. Your heart is your true self. Imagine a photo of you. You can see your true positive powerful loving self in there, but it may have layers covering up some of the power; maybe covered with baggage through the years. The goal in working on yourself is to add positive effective pressure to shed those layers, so that your true self radiates out in full strength and confidence. Pretty soon you can see this picture of yourself without the walls and layers, and you look much brighter and very impressive. Many of us are confused as to how to get to all of these things. Well, it all begins with a commitment to work on ourselves. Some of us get so caught up in daily life that it can become robotic and monotonous. There has to be a way to shift out of this, make some amazing changes, and move forward with enthusiasm. The good news is that there are numerous ways. Sometimes, one small shift and your entire life can change in enormous fantastic ways. So get ready. Gold can...
