DOWNLOAD

Plural Publishing Inc, United States, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. Evaluation and Management of Cleft Lip and Palate: A Developmental Perspective provides fundamental knowledge of cleft palate anomalies and the current state of evidence-based practice relative to evaluation and management. This text contains information on the standard of care for children born with craniofacial anomalies from a developmental perspective along with clinical case studies to help facilitate understanding of the material. This book features: *A developmental focus that provides a better understanding of the nature of craniofacial problems and the timetable for management and treatment. *A focus on information needed by the school-based SLP. *An emphasis on oral conditions (dental and occlusal) that impact speech in the school-aged child. *A blend of scholarly and clinical information. This is a graduate level text that targets speech-language pathology students, as well as audiology students, medical students, and graduate students studying communication disorders.
