

THE SECRET WEAPON AGAINST TERRORISM

Filesize: 7.13 MB

Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.

(Harold Spencer)

THE SECRET WEAPON AGAINST TERRORISM

Xulon Press. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. In this book, Ogwenko is not seeking God's best answer for terrorism but God's personal intervention. He points out the difference it makes when God Himself shows up in the hearts of both the terrorist and the terrorized. God's law, for example, is perfect-His best (Psalm 19: 7), but some religious people almost executed a woman based on their understanding of this law. All this changed when, instead of God's best, God Himself showed up (John 8: 3-11). The books that have been written on terrorism are basically descriptive and informative. In this book, however, Ogwenko compellingly turns the light on to the prescriptive and transformative Secret Weapon Against Terrorism. He maintains: Our greatest desire is to bring back civility, sanity and security so that we can travel, work and gather in social places without fear. We don't seek to understand terrorism more than we long to stop it. This book, therefore, doesn't describe the problem, it prescribes the solution. In the morning hours of January 22nd 1989, Ogwenko stumbled on what he had been unknowingly seeking-something that would quench the sensual cravings in his life. He met Christ and was sensationally saved. Since then, he has passionately pursued God's pleasure. Ogwenko believes that God spoke to him, saying: I am going to give you My best! But he answered and said: Lord, I need more than Your best; I need You-Personally! That was Ogwenko's quest. The result, as he puts it, God didn't just give me His best, He gave me Himself in the person of Christ. Ogwenko holds Bachelor of Education (Moi University, Kenya) and M. Phil. in Mass Communication and Media Studies (University of Bergen, Norway). He is married to Laura Caroline and...
