GRIN Verlag Mai 2011, 2011. Taschenbuch. Book Condition: Neu. 216x154x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2010 in the subject Politics - International Politics - Region: Eastern Europe, grade: 1.2, Tischner European University, Krakow , language: English, abstract: Despite its communistic past, Poland was able to establish free-marked structures in relatively short time. The political circumstances after the change of the system proved to be challenging and are still not solved sufficiently. This work aims to evaluate major social problems in the 21st century of Poland in the framework of political configurations and economic conditions. Introductorily, the work will begin with a historical review in order to lead over to opposing political forces in Poland and with it the social problems devoted to politics. In order to find a solution to political problems in Poland, a comparison of political systems of major western countries is undertaken. The economically situation of Poland is analysed by considering the social problems of unemployment and labour migration. Data and theories related to the British labour market are used to compare the markets and point out possible ways to cope with future challenges. 20 pp. Englisch.
