

Value for Rate-Making (Classic Reprint) (Paperback)

By Henry Floy

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Value for Rate-Making At the present time, probably the majority of valuations of public utility property are being made in connection with a consideration of rates. But different authorities still hold various and conflicting views as to the principles involved in determining the basis of value for rate-making. With the hope of helping define methods used and standardizing practice in valuation procedure, the author brought out, four years ago, the first book that had appeared relating to the general subject, The Valuation of Public Utility Properties. Since that time, several other books have been published, many papers written and much discussion elicited, due to the development of a rapidly increasing general interest in the subject of valuation of utility properties, for the purposes of purchase or sale, rate-making, taxation or capitalization. Despite this activity, it is a disappointment to observe that terms are still used inexactly and opinions are almost as diverse and numerous as there are writers. The purpose of this book is an attempt to further emphasize at least three principles that seem to...
