Harper Voyager Impulse, United States, 2016. Paperback. Book Condition: New. 170 x 107 mm. Language: English . Brand New Book. After the missiles tore up the Earth, societies crumbled, leaving scattered patches of humanity struggling to survive. Slowly, a group came together, helping each other regrow a world worth living in. And then the Others attacked. Realizing the need to truly protect themselves, they formed the Academy: a place where young people could be built into an elite military force. The training is intense and so are the consequences for failure. Sloan Radcliffe is not a failure. In fact, she's the best of the best: the girls' Senior Champion and the only one who can match her is matched to her: her betrothed, Jared Dawson. They are the perfect couple: exemplary fighters, pure leaders, and exceptional role models. But as their time at the Academy draws to a close, Sloan is starting to see signs that maybe their life is built upon secrets and that secrets are never a strong foundation. With the battlefield looming and whispers growing louder, Sloan is caught up not only between her loyalties to her people, but also to the man she loves. A combination of military sci-fi and dystopian thriller, R. H. Scott's *Chosen Soldiers* is an intense look at a young woman's world shattering under the weight of its own illusions.
