According to the Director of the Information Technology 23 Systems Review Staff, currently does not plan to use any of the SSA measures to assess the projects impact on agency productivity and mission performance because (1) the measures had been developed to fulfill a specific GSA procurement requirement that no longer exists and (2) it believes the results of the pilots conducted in 1992 sufficiently IWS LAN demonstrated the savings that will be achieved with each installation. It is essential that follow through with the implementation of a SSA IWS LAN performance measurement process for each phase of the effort. Measuring performance is necessary to show how this investment is contributing to the agencys goal of improving productivity. Among leading organizations that we have observed, managers use performance information to continuously improve organizational processes, identify 24 performance gaps, and set improvement goals. The performance SSA IWS LAN problems that...
