A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.This report presents our opinion on the financial statements of the Congressional Award Foundation for the fiscal years ended September 30, 2005, and 2004. These financial statements are the responsibility of the Congressional Award Foundation. This report also presents (1) our opinion on the effectiveness of the Foundation s related internal control as of September 30, 2005, and (2) our conclusion on the Foundation s compliance in fiscal year 2005 with selected provisions of laws and regulations we tested. We conducted our audit pursuant to section 107 of the Congressional Award Act, as amended (2 U.S.C. 807), and in accordance with U.S. generally accepted government auditing standards. This report also includes our determination required under section 104(c)(2)(A) of the Act (2 U.S.C. 804(c)(2)(A)) relating to the Foundation s financial operations. We have audited the statements of financial position of the Congressional Award Foundation (the Foundation) as of September 30, 2005, and 2004, and the related statements of activities and statements of cash flows for the fiscal years then ended. We found (1) the financial statements are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles, although substantial doubt exists about the Foundation s ability to continue as a going concern; (2) the Foundation did not have effective internal control over financial reporting (including safeguarding assets) but did have effective control over compliance with laws and regulations; and (3) no reportable noncompliance with the provisions of laws and regulations we tested during fiscal year 2005.
