Purdue University Press. Paperback. Book Condition: new. BRAND NEW, The Midas of the Wabash: A Biography of John Purdue, Robert C. Kriebel, This book is a biography of a noted Indiana businessman, John Purdue (1802-1876) whose donations of time and money led to the founding of Indiana's land-grant university - Purdue University - in 1869. Mr. Purdue's largess also contributed to economically important bridge, railroad (two) and cemetery (two) construction, the existence of Lafayette Savings Bank and the Battle Ground Collegiate Institute, cattle farming, Lafayette's public school system and countless other worthy enterprises. To date there has been no published full-length study of Mr. Purdue's life and work beyond casual street-talk that he was a difficult individual with whom to work. This biography incorporates modest research efforts by previous writers with facts gleaned from newspaper coverage and official documents and a few rare samples of Mr. Purdue's letters.
