Writing from her personal experience, Miranda Holden (now Macpherson) shows that nurturing an authentic soul life brings a level of power, wisdom, strength, and vision beyond what is commonly available, and that it can transform a life of struggle into one of exceptional ease, depth, and joy. She communicates in a very accessible way using ideas and methods that would otherwise take years of meditation, wading through mystic texts, and many hours of therapy. Accessing the spirit within can provide us with peace, true stability, and meaning in a fast changing world where business, conventional religion, and family life are fast being altered beyond recognition.
