Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Milet Publishing Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 134 mm. Language: English . Brand New Book. A raid on a historic temple in Mexico awakens an ancient power and Bella Balistica must unite the spirits and power of the Five Warriors of Itza. If she does, she ll fulfill her part in a Mayan prophecy and hopefully defeat the monster intent on destroying her and everything she holds dear. The Corporation has stolen the Itzamna Emerald from the Temple Warriors in Itza and holds it in a secret display case in its headquarters. In the hands of good, the Emerald enables peace and harmony to flourish, connecting those around it to their sense of the natural world. In the hands of the evil and twisted souls who run the Corporation, it bends those who view it to their will. Amid her adventures with the Quetzal bird to her birth country of Guatemala and to Chichen Itza in Mexico, Bella must also come to terms with her adoptive mother s recent marriage and new baby back home in London.
