

The Book of Zagmuk: The Pocket Anunnaki Devotional Companion to the Mardukite New Years Akitu Festival of Babylon (Paperback)

By Nabu

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. FIFTH ANNIVERSARY EDITIONThe 3rd Edition of an original underground classic revealing amazing insight into the religious and spiritual reality of the ancient Babylonians, described on cuneiform clay tablets unearthed in the Middle East.Newly recommissioned as a pocket edition (for the first time ever!) by prolific writer, Joshua Free, to match the design of its celebrated companion The Book of Marduk by Nabu: Pocket Anunnaki Devotional Companion of the Mardukites (also available).The Book of Zagmuk (by Nabu) is a specially prepared ceremonial text with selected tablet collections combining materials from the original Mardukite handbook Wizards of the Wastelands (2011) in conjunction with critical excerpts from Joshua Free s Necronomicon Anunnaki Bible and essentially comprising the internal methods of the Order of Nabu to establish Mardukite religious continuity and Marduk s royal legitimacy at the height of the Babylonian pantheon using the Babylonian New Year Festival, Akitu (Akiti) or Zagmuk, reviving the same process used by ancient priests of the Sumerian Anunnaki in Mesopotamia!The Book of Zagmuk by Nabu is the official Mardukite-Anunnaki companion to the...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
