Random House Trade Paperbacks. Paperback. Book Condition: New. Paperback. 560 pages. Dimensions: 7.9in. x 5.1in. x 1.3in. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post New York Daily News Slate Fast-paced, fair-minded, and fascinating, Tim Weiners *Enemies* turns the long history of the FBI into a story that is as compelling, and important, as todays headlines. Jeffrey Toobin, author of *The Oath* NATIONAL BESTSELLER *Enemies* is the first definitive history of the FBIs secret intelligence operations, from an author whose work on the Pentagon and the CIA won him the Pulitzer Prize and the National Book Award. We think of the FBI as Americas police force. But secret intelligence is the Bureaus first and foremost mission. *Enemies* is the story of how presidents have used the FBI to conduct political warfare, and how the Bureau became the most powerful intelligence service the United States possesses. Here is the hidden history of Americas hundred-year war on terror. The FBI has fought against terrorists, spies, anyone it deemed subversive and sometimes American presidents. The FBIs secret intelligence and surveillance techniques have created a tug-of-war between national security and civil liberties. It is a tension that strains the very fabric of a free republic. Praise for *Enemies* Outstanding. The New York Times Absorbing . . . a sweeping narrative that is all the more entertaining because it is so redolent with screw-ups and scandals. Los Angeles Times This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
