Createspace, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Much has been said about the law of attraction and some have called it the secret. However, this topic is only a secret for those that didn't know it yet as it has been mentioned and used for thousands of years. Most of the information is kept under the cover of faith and religious believe, and many have used this knowledge to control people and lead them within political agendas; others have used it for personal gaining while hiding it from everyone else. Whatsoever is the case there's still plenty to learn about the law of attraction or the law of dream manifestation. Most books discussing it will show strategies, techniques and methods to obtain what we wish for in our life but they still hide the main secrets. These Authors show us what to do but not how it works, why it works or the purpose of its existence. After decades of personal studies on spirituality, a simplification within a specific theory was possible to explain more than anyone ever said about this issue. This book doesn't intend to represent any religious dogma in particular and was written based on the insights from several spiritual believes, ancient and modern, as well as known and secret to the public. Religion promotes a life philosophy and, although very misleading, also talks about universal truth. This paradigm is being noticed by modern science, which in some fields attests the dogma and in others reveals its fallacy. We're now much closer to know what is true, false or merely half-true. Quantum Physics, for example, is still at its starting point but much has explained already. Willing to...
