

Verdict: Assessing the Civil Jury System

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

VERDICT: ASSESSING THE CIVIL JURY SYSTEM

[DOWNLOAD](#)

Brookings Institution Press. Paperback. Book Condition: New. Paperback. 542 pages. Dimensions: 8.9in. x 5.9in. x 1.5in. The right to a jury trial is a fundamental feature of the American justice system. In recent years, however, aspects of the civil jury system have increasingly come under attack. Many question the ability of lay jurors to decide complex scientific and technical questions that often arise in civil suits. Others debate the high and rising costs of litigation, the staggering delay in resolving disputes, and the quality of justice. Federal and state courts, crowded with growing numbers of criminal cases, complain about handling difficult civil matters. As a result, the jury trial is effectively being challenged as a means for resolving disputes in America. Juries have been reduced in size, their selection procedures altered, and the unanimity requirement suspended. For many this development is viewed as necessary. For others, it arouses deep concern. In this book, a distinguished group of scholars, attorneys, and judges examine the civil jury system and discuss whether certain features should be modified or reformed. The book features papers presented at a conference cosponsored by the Brookings Institution and the Litigation Section of the American Bar Association, together with an introductory chapter by Robert E. Litan. While the authors present competing views of the objectives of the civil jury system, all agree that the jury still has and will continue to have an important role in the American system of civil justice. The book begins with a brief history of the jury system and explains how juries have become increasingly responsible for decisions of great difficulty. Contributors then provide an overview of the system's objectives and discuss whether, and to what extent, actual practice meets those objectives. They summarize how juries function and what attitudes lawyers, judges, litigants, former jurors,...
