BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. This Is the Way the World Ends Not with a bang, not with a whimper, but with the rending and tearing of flesh. It begins on a peaceful, beautiful morning. Katie, a prosecutor, is driving to work when a dead man jumps into her car and tries to eat her. Elsewhere in the city, Jenni, a housewife, opens a bedroom door to find her husband devouring their infant son. Fate puts Katie outside Jenni s door when the younger woman flees her zombified family. Fate and Katie s quick reflexes behind the wheel see them safely out of the city while most of the living are quickly chased down by the undead. The two women begin a cross-Texas odyssey to rescue Jenni s oldest son and hopefully find safety . . . somewhere. . . . Jenni discovers the great joy of watching a zombie s head explode when she shoots its brains out. Katie learns that her analytical mind is perfect at planning the best attacks and escape routes. A small, isolated, fortified town is their only hope. Fewer than one hundred people have gathered there, clinging to civilization and to hope. They all know the zombies will come for them. But until that day, they will live, and love, and maybe even laugh. Joins the most imaginative of horrors with memorable characters and heartfelt honesty. - David Dunwoody, author of Empire and Dark Entities Beautiful and haunting. - American Horror Blog.
