Candlewick on Brilliance Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Crackpot notions, community spirit, and sky-high aspirations transform a quiet boy s life in this whimsical tale from the stellar team of David Almond and Polly Dunbar. There are some strange ideas floating around in Paul s apartment block. There s Mabel, who now calls herself Molly and whose brother hides under a paper bag. Then there s Clarence, the poodle who thinks he can fly. But the strangest notion of all is Paul s. You see, Paul believes that the moon is not the moon but a great hole in the sky. And he knows that sausages are better than war. How on earth (or not) will he find out if he is bonkers or a genius? With a few equally bonkers (or genius) helpers and a very long ladder, that s how! From a master of magical realism and a celebrated artist comes another delightfully outrageous expedition.
