Brand New Book ***** Print on Demand *****.Does the subject of money and the church leave you frustrated? If it does, you are not alone! Due to his own frustrations as a pastor, author Francis P. Martin began an extensive scriptural study, looking for an answer to this source of contention for church leadership, church members, and non-churchgoers alike. As a result, The Kingdom s Economy: A Guide to Proper Giving was born. Through biblical analysis and the successful implementation of these principles in his own vibrant and prospering church, Martin demonstrates how obedient tithing brings blessings. He challenges readers to imagine a church without an offertory time or fundraising schemes, recognizing that while tithing is fundamental to financing the church, there are many churches remaining malnourished. I have always taught that God gives generous people more to be generous with. Few understand this principle of kingdom economics better than Pastor Francis Martin, especially as it relates to the tithe. This is a must-read for all Christians, especially pastors. It will revolutionize the finances of the church. Jim Darnell Bible Teacher and Pastor.
