Well, maybe it s not that bad, but it feels like it. You know you re in deep. Good--knowing the problem is the first step to the solution. This book gives you the plan of action to get out of debt. It s short, so you ll actually read it. It s inexpensive, so you won t go even deeper trying to find a way out. And CrasH has already done all the hard math for you--just plug in the numbers. It will take some work and some time, but if you stick to the plan, you can be debt free. A lot of people got into debt because they didn t have a plan. Not having one now isn t going to get you out. But, with a good plan (which this book provides), good tools (which CrasH provides through a downloadable file), and determination (which you provide), you will finally see the light at the end of the tunnel and be on your way to freedom.
